- A. Resolution 19/20-8 Fixing and Adopting the Budget      ACTION
  - B. 2020-21 School Calendar Revision      DISCUSSION  
*Does the School Board have any desire to change the 2020-21 calendar in light of the COVID-19 issues and the cancelation of the Okanogan County Fair. There will still be activities on the traditional Thursday and Friday of the Fair that will include some of our students and families.*
  - C. August Work Session      DISCUSSION/ACTION  
*The school board needs to approve our reopening plan at least two weeks prior to the start of school which is August 27th. This means we need an approved plan to send in by August 13th. I am recommending a board work session on August 12th to review and approve this plan for submission by August 13th.*
9. 8:00 PM      **POLICY UPDATES**      ACTION
- A. Second Reading Policies
    - a. [2004 BP Accountability Goals](#)  
*These important revisions reflect the School Improvement Framework, which replaced the former Achievement Index. The Washington School Improvement Framework is part of the state's Every Student Succeeds Act (ESSA) plan and identifies how schools can improve the education of all students. Specifically, these revisions reflect that school boards must adopt district-wide performance improvement goals each year and direct the schools that enroll students in grades three through eight and/or high school to establish consistent goals.*
    - b. [3413 BP Student Immunization and Life-Threatening Health Conditions](#)  
*The Washington State Board of Health made significant changes to Chapter 246-105 of the Washington Administrative Code (WAC), which are the rules governing immunization requirements. The changes have three major focuses. First, the revised rules require medically verified immunization records for school and child care entry. Next, they clarify the meaning of "conditional status" and how to implement it. Lastly, the changes affect the Tetanus, Diphtheria, and Pertussis (Tdap) immunization requirement for 7th through 12th grades. These changes are effective August 1, 2020, and will impact the 2020-2021 school year.*
    - c. [6106 BP Allowable Costs for Federal Programs](#)  
*From WSSDA: Based on federal guidance for using federal funds during COVID-19, if your district is using state or local funds to pay your state and locally funded staff during the closure, you may continue to use federal funds to pay the salaries, wages, and fringe benefits of your federally-funded staff. However, to do so, your board must adopt or amend a policy for paying employees in emergencies using all funding sources. After reaching out to the Office of Superintendent of Public Instruction (OSPI) and to the State Auditor's Office for their input, we've revised Model Policy 6106--Allowable Costs for Federal Programs to reflect the necessary language identified in the federal guidance.*
10. 8:15 PM      **MISCELLANEOUS**      DISCUSSION
- A. Online Board Self-Assessment  
*Board review of the assessment and make plans based on the findings.*

B. August 17 Board Retreat

*The August 12 board meeting is canceled because of summer break. The board will hold a retreat on August 17. The board needs to finalize plans for this retreat.*
