

# TIGER NOTES!

May Newsletter, 2017

## Calendar of Events

Smarter Balanced Assessments will begin this month. Although this test is an important measurement of students academic progress, minimizing student's stress level about testing is always an important part of this time of year. Remind students to always do their best, and use strategies and information they have learned throughout the year to help them. Other ways to help your child be successful at school, and especially on testing days is to encourage students get ample amount of sleep, and eat a healthy breakfast before school. Overall, encourage your students to relax and do their best. During testing days it is highly encouraged that students attend school, although there are make-up days, testing in the routine setting of their classroom will be much more beneficial. If your child is not sick, it is highly encouraged that they are at school and on time every day, if they are late to school, they may not be able to start the test that day with their class and will need to be scheduled a make-up day.

The music department will be hosting their annual Spring Concert Wednesday, May 24th. The Middle/High School Choir concert starts at 6 pm, and the Middle/High School Band concert starts at 7:15 pm. Both concerts are in the HS commons and admission is free.

We are looking forward to 6th Grade Camp, May 30 - June 2nd. Students will be sent home with information on what they should bring the first week of May. Please note Parent Night is Thursday June 1, at 7 pm. Please do not arrive earlier than 6:45 pm as your child will be getting ready for your arrival. Directions to the camp will be included in the letter home in early May. Have questions about camp please contact Kari Alexander at 486-2147.

### **Drama will be putting on a production of Jolly Roger and the Pirate Queen May 19th at 6 pm in the High School Commons...**

Gentleman Roger has every intention of living a conventional life and marrying wealthy Sarah Huffington... until he overhears her saying how boring he is! The man Sarah really wants to marry is a daring pirate! Willing to walk the plank for love, Roger buys a ship, recruits a crew and hires a Long John Silver to show him the ropes! Silver toughens him up and bequeaths him a new name — Captain Blood. Knowing she won't find a pirate unless she becomes one, Sarah makes herself into the Pirate Queen and quickly earns a reputation for raiding ship after ship. Wouldn't you know, Sarah's parents are also out on the high seas in their own ship. As luck would have it, they all congregate on Treasure Island, which is already occupied by the retired pirate Bluebeard and his crew. Ahoy, mateys! That's too many pirates for one landmass, and the hilarious loose cannons explode! There's promising treasure chests of swashbuckling suspense and laughter along the way! You'll go overboard with laughs! Admission is free by donation!

*TMS ASB will be hosting their 1st Annual FUNd Run May 19 at the High School Track from 12-3 pm. Our goal is for each student to raise \$25 for a total of \$5,000. Students raising more than \$500 will be entered to win an iPod touch! Our plan is to purchase playground equipment and upgrade informational technology in the commons. Everyone is welcome to come participate or spectate!*
